With reference to the correspondence ending with your letter No.B 4 C 48/47-48 dated 5th July 1948 regarding the revision of the scales of pay of the non-gazetted staff of your office, I am directed to request you to get the following discrepancies reconciled by corresponding direct with the Auditor, P.W D and then forward a correct proposition statement duly certified by the Auditor -

a) Manager - The existing grade pay of the Manager and Accountant is Rs.40-3-70-5-100 and not Rs 60-5-100 according to the Audit Register in this office

b) CLERKS on Rs.25-1-40 - Copy of the latest Government Order sanctioning to end of June 1948 one Temporary Clerk on Rs 25-1-40 originally sanctioned in Government Order No 1097-101/M1 12-45-47 dated 24-7-1946 temporarily may be kindly arranged to be made available

The sanctioned strength according to the Audit Register of this office is only 5 against 6 noted in the proposition statement. The difference may be explained.

c) OVERSEERS - The existing sanctioned scale is 3 according to Audit Registers whereas it is shown as one in the proposition statement with a remark that only one Overseer is working in this office from the beginning The proposition statement should show the full sanctioned strength and not the strength actually working

Sir,

Subject:- Sanctioning the proposition statement of City Improvement Trust Board, Mysore, in connection with revision of scales of pay of non-gazetted Officers.

With reference to letter No.L.3169 dated the 24th Septr.1948 from the Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department, Bangalore. (copy enclosed) pointing out certain discrepancies in the proposition statement submitted by this office, with that of audit register maintained in your office and requesting to reconcile the same by corresponding directly with you, I have the honour to state as follows.-

(a) The revised grade of pay of the Manager and Accountant is Rs.40-3-70-5-100; the pay 60-5-100 was the grade prior to this.

(b) A copy of the Government Order No.L.14122-4/Ml.12-47-12 dated the 23th February 1948 continuing to the end of June 1948, one temporary clerk on Rs.25-1-40 and one temporary Suboverseer on 35-5/2-80 originally sanctioned in Government Order No.1037-101/Ml 12-5-47 dated the 24th July 1946 is enclosed for your information. (Flag A).

The permanent strength of Clerks on 26-1-40 is four hands. One hand has been sanctioned for general acquisition work vide Government Order No.L.1554-7/Ml.12-47-47 dated the 24th July 1947. This is being continued year after year for the last several years after obtaining fresh sanction of Government each year. A copy of the latest Government Order is enclosed for your kind information (Flag B). Another hand in the same grade is sanctioned for resumption of sites (vide G.O.noted overleaf Flag A). The total number of hands in this grade is therefore 6 and not 5 as per Audit Register.

(c) As per G.O No.L.1960-3/Ml.37-38-6 dated the 13th August 1938

consists of one Overseer. The actual number of Suboverseers is not specifically stated therein. But the number is only quoted in the Trust Board Business Manual. A note has been inserted therein that the scales of pay of the other Suboverseers will continue as per present. In this connection it is brought to notice that the sanctioned scale of Suboverseers was 3 till July 1935. It is seen from the Acquittance Roll Registers that from 1935 onwards only two Suboverseers' pay is being drawn, one Suboverseer having been transferred from the Trust Board. Probably this vacancy was not filled up, with the result that the scale of Suboverseers was considered as only two. Later on two new Suboverseers were added to the permanent establishment raising the total strenght of the Suboverseers to four (vide G.O.No.L.531-5/HL.12-43-24 dated 19th July 1944, Flag 'C')).

One Suboverseer shown extra in the proposition statement under "Temporary" relates to the Government Order dated the 21th July 1944 referred to in Para 2 (a) above.

(d) The services of the Assistant Draftsman sanctioned in G.O.No.L.12160-3/HL.12-43-22 dated 6-6-1944 is continued even to end of June 1949 in accordance with G.O No.L.3312-5/HL.13-43-10 dated 28-9-1948 (copy enclosed).

In these circumstances the proposition statement submitted to Government with this office letter of even number dated 5th July 1948 is in order. So, the proposition statement forwarded to you unofficially by the Government may kindly be "Certified" and sent to Government for early sanction.

Yours faithfully,
